57 The normal expenditure is within the normal income, but the closing balance is slightly less than the statutory minimum. The arrears under Mohatarfa taxes are heavy, being Rs 2,895/- Efforts should be made to collect the same early. Contributions due to Government and other Departments should be paid promptly as and when they fall due. Ways and means should be devised for improving the finances of the municipality so that a larger number of works of public utility might be taken up and the expenditure on the Anglo Vernacular High School also met.
